REQUEST TO TAKE THE CASE
MANAGEMENT CONFERENCE OFF
CALENDAR AND ~~PROPOSED~~ ORDER

The parties agree, subject to the Court's approval, that the case management conference scheduled for June 26, 2013, should be taken off calendar. The parties have reported to the court that they are in the process of obtaining the signature of claimant to a stipulated judgment of forfeiture. In pleading guilty in state court, claimant agreed that she would forfeit her interest, if any,

1 in defendant 2008 Toyota Tundra. Further, the United States has already obtained a default from the
2 clerk as to the other two defendants - defendant Ruger and defendant Ammunition. The United
3 States will be moving for a default judgment as to those two defendants for which no one has
4 appeared to claim.

5 For tracking purposes, the parties propose rescheduling the case management conference for
6 August 21, 2013, but recognize that such a CMC would become moot once claimant has signed and
7 the parties have filed a stipulated judgment of forfeiture as to defendant 2008 Toyota Tundra.
